

**DIVERSE. COMPETENT. RELIABLE.**

**YOUR WISH. OUR STYLE.**

## **ON ALL PATHS – EXPERIENCE COUNTS.**

The VIA MAT Group has been offering first-class transport and logistics solutions for more than 60 years, building a strong global network and ensuring close customer relationships and market focus. We offer quick and flexible transport solutions tailored to meet your needs for all types of goods. In the valuables sector the VIA MAT Group is market leader in Switzerland and number three worldwide. In the general cargo business we have established strong and successful niche market positions.

Committed, competent and reliable – our 900 employees in over ten countries guarantee that your logistics and transport requirements are met quickly and safely all over the world. Where others offer standardized products, we provide individual solutions for particular areas or complete supply chains.

The VIA MAT Group offers a wide range of services, which can be seen as ample proof of its versatility:

- \* International cargo transport services: air freight, sea freight, road and rail transport, special transport (automobiles, movies, project cargo), customs clearance
- \* Domestic and international valuables logistics
- \* Art logistics
- \* Safety packaging
- \* Parcel logistics
- \* Warehousing logistics
- \* Logistics solutions for your outsourcing projects
- \* Representation of shipping companies

### **AIR, SEA, ROAD OR RAIL**

You decide on the mode of transport for your goods. We organize the rest. You have one contact partner for all your logistics requirements. Hundreds of specialists with comprehensive know-how support your contact, ensuring your consignments reach their destination reliably, on-time and in perfect condition.

## **THOROUGH BUSINESS KNOW-HOW.**

### **VALUABLES LOGISTICS**

As market leaders in their field, MAT SECURITAS EXPRESS AG (MSE) and VIA MAT INTERNATIONAL (VMI) attach the highest priority to safety, discretion and reliability, when dealing with domestic and international valuables transport, valuables processing, and storage and servicing of automatic teller machines. In accordance with our philosophy “safe from safe to safe” we transport your valuables safely from door to door.

### **ART LOGISTICS**

Discreet, safe and with care – VIA MAT ARTCARE transports, stores and packs your artworks or delivers them to international art fairs and exhibitions.

### **SAFETY PACKAGING**

Whether you require security pouches, sealing tape or security seals – our packaging specialist VIA MAT PACKSAFE AG will find a way to pack every type of merchandise safely.

### **PARCEL LOGISTICS**

As a licensed parcel logistics service provider, BONAFIDE LOGISTIC AG offers sophisticated distribution concepts giving customers a major competitive advantage throughout Europe.

### **WAREHOUSING LOGISTICS**

Your goods will find an ideal space in our large storage facilities and distribution terminals. Upon request we can coordinate all your storage logistics and organize the fine distribution of your goods with our computer-based data processing system.

### **OUTSOURCING SOLUTIONS**

You would like to hand over all your purchasing or distribution logistics to a competent, neutral partner or outsource part of your logistics activities? LOOP analyzes, improves and designs an individual outsourcing concept for you.

### **REPRESENTATION OF SHIPPING COMPANIES**

Our shipping agency MAT MARINE AGENCIES AG represents first-class international maritime shipping companies and organizes your maritime transports with scheduled cargo shipment services.

## **DEDICATED DOWN TO THE LAST DETAIL.**

### **THE CUSTOMER COMES FIRST**

Our customers are as individual as our services and come from many different industries. The VIA MAT Group is large enough to meet the demands of complex logistics services worldwide, but also flexible enough to offer individualized solutions. Therefore, we are also the ideal partner for small and medium sized companies. Our close relationship with our customers is your gain.

### **IN TUNE WITH THE MARKET**

Dedicated and customer-oriented, the VIA MAT specialists continuously keep in touch with new market trends and technologies. We invest in promising future markets and develop attractive services that generate genuine added value for our customers.

### **COMPETENT AND EFFICIENT**

The customers of the VIA MAT Group benefit from over 60 years of experience and specialized know-how. You have one contact partner who can give you advice on a whole range of services. We guarantee competent and quick services from one source.

### **STRENGTH THROUGH DIVERSITY**

By focusing our activities on many different markets and sectors of the transport, forwarding and logistics industries, we can offer a wide range of services, ensuring complete and specialized know-how in every sector.

### **AROUND THE GLOBE**

Throughout the world, our employees ensure our customers' demands for logistics services are implemented quickly and consistently. The VIA MAT Group is represented by 35 subsidiaries in more than ten countries on four continents. In addition, we cooperate with partner companies that share the same philosophy and are committed to the same high standards of quality and security. This is how we can provide exceptional, global first-class services.

### **QUALITY & SECURITY**

We never compromise where quality and security are concerned. Our services meet the highest standards. We also focus on state-of-the-art technologies, cost-efficient and environmentally friendly solutions. Our partner companies share the same commitment to quality and security.
